UNITED STATES DISTRICT COURT
FOR THE DISTRICT OF NEVADA

ADRIAN A. SAMPSON,
Plaintiff,

vs.

KONICA MINOLTA BUSINESS
SOLUTIONS U.S.A., INC.,
Defendant.

Case No. 2:20-CV-02223-KJD-DJA

**STIPULATION AND ORDER TO
EXTEND DEADLINE WITHIN
WHICH TO RESPOND TO
DEFENDANT'S MOTION FOR
SUMMARY JUDGMENT**

(First Request)

The parties, by and through their respective counsel, hereby stipulate to extend, by 30 days, the deadline within which Plaintiff may file an opposition to Defendant's Motion for Summary Judgment (filed August 19, 2022) up to and including October 10, 2022. The extension is request because of extraordinary time constraints on Plaintiff's counsel, a solo practitioner, including, among other things, a Petition for Rehearing En Banc due in the Tenth Circuit on August 29, 2022; a Brief for the Appellant due in the Tenth Circuit on August 31, 2022; an oral argument before the Utah Court of Appeals on September 8, 2022; and a memorandum due in opposition to a Motion to Dismiss due in the Western District of North Carolina on September 14, 2022. This the first request for an extension of this deadline, though Defense counsel was granted a stipulated request to extend the deadline for filing Defendant's opening Motion.

1 Respectfully submitted this 29th day of August 2022:
